

Resume

Computational Designer

Contact

Name	Changmin Ji
Phone	+82-10-7187-3746
Email	changmin.cmj@gmail.com
Address	210, Seokchonhosu-ro, Songpa-gu, Seoul, Republic of Korea

Education

University	School of Architecture, Chung-Ang University (5th Year)
Period	March 2018 ~ Feb 2025
GPA	3.79 / 4.5

Experience

Period	Oct 2023 ~ Dec 2023
Organizer	CSBR (Centre for Sustainable Architecture and Building Systems Research, CAU)
Description	P.R.E Program Researcher Conducted building energy performance simulations in DesignBuilder, focusing on load calculations, HVAC systems, and life-cycle cost analysis.

Period	Sep 2024 ~ Oct 2024
Organizer	Opticon
Description	Intern - Automation of specification book generation - Git-based file management and collaboration

Period	Mar 2025 ~ Current
Organizer	EDIT Collective
Description	Computational Designer - Legal regulation-based automated planning and design - Automated legal and regulatory review service for B2G organization - Building, Core, Parking design - Apartment housing - Modular - Podium

Software

Architecture	Rhino, Grasshopper, Autocad
Document	Adobe InDesign, Adobe Illustrator
Programming	Python
